

**PROFESSIONAL BEAUTY  
&  
THE FEDERATION OF NAIL PROFESSIONALS  
GENERAL COMPETITION RULES  
2024  
London, Dublin, Glasgow and Manchester**

**General Rules**

1. All Competitors must register on the Professional Beauty website and complete their competition entry. [www.professionalbeauty.co.uk](http://www.professionalbeauty.co.uk)
2. All Competitors must bring their own models unless working on their own hands.
3. Competitors and models must attend at the specified registration time on the day of their competition.
4. Category Levels – Levels will be shown against each category.

**Student Level:** To be considered a student you will need to be currently engaged in nail education or qualified less than **12 months**. Evidence should be submitted with your entry and should also be brought to the competition to be provided at registration to show if required.

**Nail Professional:** Any nail professional qualified over one year to included educators and any other level of professional.

There are 8 Categories (*Manicure, UV Gel Polish, Salon Nail, Learn a Skill, Boxed mixed media and Snap – photographic* ) which will have a **Student** Level and a **Nail Professional** Level. These levels will be judged separately. *The competition management team reserve the right to amalgamate Student with Nail Professional should there be insufficient Student entries. Placings/points will still go forward to the relevant Championship level.*  
2 categories (*Competition nail and Shape of your art*) will be judged at **Nail Professional** Level only.

5. Competitors must bring their own kit, **including an electrical extension**, set their desk up ready for the relevant category with no additional products and store all bags (except personal bags) in the designated area for the duration of the category.
6. Health & safety rules and regulations must be adhered to at all times.

7. One electric socket will be provided. **One short extension lead (no longer than 1metre) must be brought with the competitor.**
8. All competitors should provide their own desk light should they require as this will not be provided.
9. Desks must be kept clean and tidy and suitable disposable surface cover must be used (ie couch roll) at all times or points may be deducted in floor judging.
10. All relevant hygiene protocols must be visible and should include methods of sanitising/disinfecting hands, files, metal tools and surfaces. This will be checked in floor judging.
11. Please bring a suitable method of waste disposal, i.e a bin bag taped to the desk for rubbish and safely dispose of after each category.
12. All products should be in their original, labelled packaging. Solvents may be in pump bottles with a label showing the contents. The labels must be in English.
13. Competitors and models must be seated with desks set up ready by the Category Briefing approx 10 mins before the start of the category and must not touch their model's hands once the briefing begins.
14. It is the responsibility of the competitor to ensure they have their competitor number visible on their model's hand. These will be provided at registration and for each new category.
15. Models **must NOT** have jewelry on their lower arm/hand other than a plain wedding band. Any jewelry and hand tattoos will be noted by the Head Judge in case of a discrepancy in scoring.
16. Competitors must be aware of each of the category rules (these may on occasion be subject to amendment). In addition, it is strongly advised to be aware of the scoring criteria (category scoresheets are available to be viewed prior to the competition via PB/FNP sources). In files on Facebook group **The Federation of Nail Professionals & Pro Beauty Competition Group**.

17. When the category finishes competitors **must NOT** touch their model's hands for any reason. This can result in a point deduction or a disqualification.
18. Products not allowed for the individual categories will be confiscated by the Floor Judges and can be claimed after the category.
19. Tips **must NOT** be pre-sized nor pre-tailored. Tip boxes must be organised correctly in sizes with, at least, 5 of each size in the relevant compartments. Only natural or clear tips. NO white tips in any category.
20. Forms must not be pre-tailored. Around 25 forms (no rolls) must be ready on the desk. Forms with a manufactured 'C' curve support are allowed but the support must not be added before the category starts.
21. Oils and creams are allowed.
22. The result of breaking of any of the Rules (General and Category specific) will be at the discretion of the Head Floor Judge and 1 other. This may result in either a warning, loss of 5-10 points or a disqualification.
23. E-files are not allowed to be used in any preparation stage nor on the natural nail plate. They may be used in shaping and refining enhanced nails only.
24. **Amalgamation** The competition directors reserve the right to amalgamate student level with nail professional level to create a single nail professional level where there are less than 3 students competing to allow for fairer competition. In the event of the amalgamation of levels in any category scores, there will only be nail professional winner in the category and placings.
25. No work entered in off floor categories can have been used in any other competition previously.  
Failure to abide by the competition general and category rules may result in point deduction or disqualification based on the decision of the head judge and the judging team. All decisions are monitored by the competition director and an internal checking process is followed to ensure objectivity and fairness is met in any decisions that may cause loss of points or disqualification.

The competition director & head judge's decision is final.

## **NOTES & GUIDANCE**

You should always ensure that you have read and understood the full competitions rules for any category you are entering prior to the competition. You can do this on the Professional Beauty website and on the FNP & Pro Beauty Competition Group on Facebook.

At the time of publishing the competition schedule giving dates and times is correct. Unforeseen circumstances may cause amendment however every care will be taken to make the categories work most efficiently for competitors within the amended competition schedule. It is your responsibility to ensure you have the most up to date information available and we would recommend using the Professional Beauty website and the Facebook group as mentioned above to ensure you are aware of any changes made.

**AMALGAMATION** Should there be limited numbers in any 'level' category we reserve the right to amalgamate levels, and where necessary to cancel categories. Should there be a category cancellation decided by the Competition Management Team, your entry fees will be transferrable to another category or will be refunded by Professional Beauty.

**CHEATING** The Competition Management Team reserve the right to disqualify or penalise any competitors to be reported for and/or found cheating. Reports should be made immediately to a member of the Competition Management Team and evidence must be documented and provided on request. If cheating is suspected whilst an on-floor competition is active, please notify a member of the Competition Management Team immediately.

**AWARDS CEREMONIES** Winners from each day will be announced at the Awards Ceremony of that day. It is each competitor's responsibility to check their placing either by attending the Awards Ceremonies or by viewing the results in the public forums and mediums used by Professional Beauty & The Federation of Nail Professionals post competition/show. Any placing awards not collected on the day will be held and forwarded by Professional Beauty

post show. Competitors may nominate a proxy to collect any placing awards on the day.

**SCORESHEETS** are available each day following the Awards Ceremony (except InstaNail which will be emailed) Judges will be available wherever possible for constructive feedback. It is best to do this immediately after the awards ceremony as only this way can we guarantee that it is the same model and work. It is strongly recommended that you collect your scoresheet to see where you could improve or have excelled. If a judge is not available and you wish to query a score or feedback with them, they will be available via their preferred contact method, and you should include a photo of your work and the scoresheet with your query and do this as soon as possible after the event.

For off-floor categories scoresheets will be available for a 1-week period following the competition but after this time the Competition Management Team cannot guarantee availability. They will be sent via email as a PDF.

All enquiries regarding rules, regulations and other competition questions should be directed to professional beauty or email [fnpnailcomp@gmail.com](mailto:fnpnailcomp@gmail.com)

## **Mixed Media Boxed Art (Off Floor)**

### ***Student/Nail Professional***

Nails to be designed on 5 varying sized nail tips and placed together. Art on the nails must not exceed 1 inch / 2.5cm in height from the surface of the nail. Any embellishment to the actual tips, whether attached to the tip or not, will count and must not extend further from the nail surface or points will be deducted.

Having a display any larger than A4 may result in it not being displayed and if it's too large, it may not be accepted. This is left to the discretion of the judges and the displays are measured by the judges. Decoration of the box will not be scored.

All entries must be accompanied by a description (50 words MAXIMUM in English) of the work involved including types of nail art media and techniques used. Points will be deducted if no description is provided.

1. **CLARITY OF THEME: Astrology.** The design should be apparent & identifiable, and the design must represent the theme. The tips must be individual tips and not have product on them to create a flat canvas. Judges must be able to see the curvature of a tip.
2. **LEVEL OF DIFFICULTY & SKILL:** The complexity of the design is evaluated on its degree of expertise & skill. How complex is the design. Does design flow across the 10 tips.
3. **FINISH:** Are there any irregularities in the finish? Is the application even? Is the finish appropriate to the design of the theme?
4. **MEDIA:** There must be a minimum of 3 types of art used/products/techniques used – and they should be incorporated into the design cohesively.
5. **CONTINUITY OF THEME:** How well is the theme carried through on all 10 nail tips? Does the theme appear to flow from nail to nail? Does the design match the theme that has been given on the written description?
6. **ORIGINALITY:** The overall look must be an original interpretation of them & serving an impact with its delivery. Is design original and innovative.

The work must be created on tips, no model is required in this category.

All media used must be used in an artistic way. It is the competitor's responsibility to clarify anything questionable prior to the event and the judges' decisions are accepted as final.

All entries must be new to FNP/PB competition and can only be entered one time. No repeat entries from prior years allowed.

The work mixed media boxed art must not have been published, on social media or entered any other competition beforehand.

A maximum of two entries per competitor is allowed.

**Themes:**

**London Excel- Astrology.**

**Glasgow- Celebrations.**

**Dublin- Famous places**

**Manchester- Carnival.**

**Please hand in your entry at the show. See schedule for registration times. Deadline is 10am on the Monday of the show.**

**All work must be collected on the show as unfortunately we cannot post out any left behind unless we have prior arrangements.**

**Read the score sheets available in files section of “The FNP & Pro Beauty Competition Group” on Facebook. Check out the point distribution and see where you will gain the most points and the least. This will help your timing and focus on the best areas.**
