All stands should be clear of displays and products by 22:00hrs Monday.		

Please do not attempt to begin setting up your stand before your allocated time, this can disrupt others working in the hall and cause delays. Similarly, **do not begin breaking down before the show closes** as it poses safety risks to others.

You are strongly advised to remove everything from your stand as soon as possible as your stock and exhibits are most prone during breakdown. With this in mind, all stock and exhibits must be cleared by 22:00hrs on Monday night; under no circumstances should stock or anything of value be left in the halls overnight.

If you foresee problems with this on-site, you should contact the Organisers' Office immediately.

Any items not removed by 22:00hrs Monday will be deemed as rubbish and disposed of.

Any costs for this disposal will be passed on to the exhibitor.
